Board approves funding for Lake Gregory Dog Park

SAN BERNARDINO – The Board of Supervisors on Tuesday approved a \$200,000 allocation for the planned Dog Park at Lake Gregory that will give frisky Fidos a place to roam freely.

Chairman Paul Biane, who represents the Crestline communities as the county's Second District Supervisor, requested funding for the dog park from the Board's discretionary projects budget.

"Many residents enjoy walking their dogs around the lake, but there's no where for them to legally let their pets roam without a leash," Biane said. "At the new park, dogs will be able to run leash-free in an enclosed area with other dogs their size."

The dog park will feature wrought iron fences and separate areas for large and small dogs. The 21,600 square-foot park will be located about 100 feet from the popular Lake Gregory Fitness Trail near the east end of the South Beach parking lot. In addition to the dog park, Regional Parks plans to replace dilapidated chain link fence along the lake edge with wrought iron fence.

Regional Parks estimates the dog park and the fencing improvements will be completed in about five months.
